

## III. WRITING

(10 POINTS)

The emigration of skilled workers is a real problem for their countries of origin. Write an email to the editor of the web site [www.globaldebate.org](http://www.globaldebate.org) in which you explain why these people emigrate and suggest ways to encourage them to stay in their own countries.

..... Subject : Human capital flight : Reasons and issues .....

..... Dear editor, .....

..... Last week, I visited your website and had the opportunity to read your last post about the impact of the emigration of skilled workers on their countries of origin. But the questions that we should answer are: WHY? and HOW TO STOP?

..... To understand reasons of this problem, we should classify them into two categories: Internal and external ones.

..... The first category contains reasons such as, the lack of opportunities of work in the countries of origin. Or also the low salaries. So the skilled workers prefer to emigrate to developed countries that offer very attractive salaries.

..... Furthermore, the host countries offer facilities of immigration and also promise to these category a high standard of living. This emigration causes serious problems to the countries of origin, and to stop this phenomenon, these countries should encourage skilled workers to give up the emigration by enhancing their standard of living and empowering the
